

If you are a new business needing a website to market and sell your services or products, or you already have a website that needs improvement - look no further.

We specialise in ecommerce online shops, 'brochure' sites, parent participation forum and property websites using a content management system for you to control your own website content.

Starfish Websites provide the complete package to get your business online. It is a one-stop-shop service so you do not need to worry about the details or technicalities of getting your website, email or online marketing activities up and running.

We have experience in many industries and companies ranging from home businesses to £10M turnover.

So if you are looking to boost your business profile and increase your sales and bottom line, please contact us to discuss your requirements.

Also take a look at some of the work we have done in the [Website Portfolio](#) and find more detailed information on the [Services](#) we offer.
